

CORPORATE FINANCE

Rock-solid. Start-ups

Founding a company should not be a decision from the belly. We accompany young companies from the very beginning, from the factual assessment of the business concept and the choice of financing to the practical implementation and further development of the business model.

We support you in setting up reporting structures (external accounting, internal reporting, plan/actual analyses).

Talk to us. For questions and offers, we are happy to help you with advice and action.
